

INTERNATIONAL MULTISPORT CAMP | MIS, GERMANY

JULY 5TH – 16TH 2010

The camp is for students in Middle/Senior school, ages 11 to 17. The camp runs from Monday to Friday, from 9:30 to 15:45.

Our Concept

- We focus on the sports development needs of girls and boys.
- We offer instruction through top professionals as head coaches.
- We offer 6 different sporting options. Each week students choose a morning option and an afternoon option:

Monday – Friday 9.30 – 12.15	Basketball	Tennis	Golf
LUNCH			
Monday – Friday 12.45 – 15.45	Boys Soccer	Girls Soccer	Kayaking

Basketball

“Teams are made in the Fall, players in the Summer.” This Hoop section of the camp will focus on set drills, shooting technique and team strategies and is designed specifically for girls and boys currently on school teams or who are aiming to join teams in the Fall. The program will be run by a club trainer assisted by Michael Muzoora, an MIS alumnus.

Kayaking

The camp has 15 Kayaks and a 3-seater canoe. The program will be run by Dan Glover and a Counsellor. Kayaking will take place on the Würm and Isar rivers. Week one will be oriented to intermediate kayakers and week two progresses to white water that either requires participation in the first week or previous kayaking experience.

Girls Soccer

Girls can make significant improvements in their game through our dynamic and intensive camp experience. This year we have hired a qualified female coach who will run the girls program.

Boys Soccer

This year the soccer program in afternoon will run from 12:45 – 15:45. We are in the process of recruiting a coach who will cover the needs of the Junior camp in the morning and the Multisport camp in the afternoon

Tennis

Tennis is best learned from professionals! Instruction will be offered by Josef Kligmann from the Schäftlarn Club together with other club Profis. Students will be split into several ability groups. The training will be located on the Schäftlarn courts. In the case of bad weather, training will take place in the Tennis Hall in Schäftlarn.

Golf

The golf course at Gutried offers a first rate facility within a 10 minute drive from MIS. Mark Emery a long standing golf pro will run the program for a range of different ability levels.

Registration

Please choose your sports options on the registration form. Registrations should be made on the accompanying form with full payment by **Monday, May 31st 2010.**
